Subject: November FIFRA SAP Meeting on Rodenticides
Date: 08/08/2011 12:09 PM

Russell,

Please be certain to copy me on all emails and any other documentation concerning the upcoming FIFRA SAP meeting on the NOIC for the Rodenticides.

The profile sheet that Joe forwarded to me has the meeting date listed as September 21 - 23, 2011. The date of the meeting is November 29 - December 1, 2011. Also, the profile sheet indicated that the SAP Panel nominations were attached. I did not receive that attachment. Please send the attachment to me.

Thanks,
Laura
